

Are all the hot sauces out there starting to taste the same? Feel like you need something better?

We are proud to have two very high quality award winning hot sauces, **2Hot Rocoto Sauce** and **2Hot Yellow Hot Pepper Sauce**. They are made for the demanding customer that pays special attention to the ingredients on the label in search for a better, healthier, higher quality product.

Our philosophy... We are constantly in search for the finest natural and organic peppers available. Maintaining the highest quality standards is our first priority.

Our goal is to give customers sauces that are the closest to their purest state as possible, unadulterated by artificial additives, colorings and preservatives thus having the best taste and nutritious value.

We take pride in being one of the very few **vinegar free** hot sauces out there thus allowing our customers to enjoy the trully fresh, pure and unaltered taste of the delicious Peruvian peppers.

If you have been searching for a higher quality hot sauce, you have found the best !
